

Washtenaw Intermediate School District

Collaborative/Shared/Consolidated Services List

as of August 7, 2009

WASHTENAW INTERMEDIATE SCHOOL DISTRICT (WISD) is one of Michigan's 57 regional educational service agencies created by law to help local school districts provide high quality education for their students while maximizing district resources. WISD does this in a variety of ways including coordinating specialized programs and offering shared services. Many of these collaborative programs and shared services are listed below.

A countywide committee with representatives from all 10 local school districts and WISD continues to examine areas in which schools can economize by sharing or consolidating services. The most recent initiatives are highlighted.
